Gerry Mulvenna, who is a RIC supporter (and the writer of many other songs including the Young James Connolly) sang the following song outside the court on 12th April .

IN DEFENCE OF OUR PROFESSOR

Here we are in Chambers Street
For all the world to see
In defence of our Professor
Clara Ponsatí

We stand against repression
In solidarity
In defence of our Professor
Clara Ponsatí

La nostra consellera
La nostra professora
La nostra consellera
Clara Ponsatí

If you're walking past the sheriff court

Show your empathy
In support of our Professor
Clara Ponsatí

And stand against repression
In solidarity
In defence of our Professor
Clara Ponsatí

La nostra consellera
La nostra professora
La nostra consellera
Clara Ponsatí

As you're driving past the sheriff court
Show your empathy
In support of our Professor
Clara Ponsatí

And stand against repression
In solidarity
In defence of our Professor
Clara Ponsatí

La nostra consellera
La nostra professora
La nostra consellera
Clara Ponsatí

So we're standing here in Chambers Street
For all the world to see
In defence of our Professor
Clara Ponsatí

We stand against repression
In solidarity
In defence of our Professor
Clara Ponsatí
